# About Us

Construct Connect Marketing is a budget-friendly marketing agency fueling growth in construction, manufacturing, and real estate sectors. Since 2006, we've been solving business problems, building brands, and providing comprehensive affordable marketing solutions tailored for todays needs. Partner with us for innovative strategies and exceptional service that drives your organization forward.

# What We Do

We specialize in delivering affordable marketing solutions for everyday businesses. By seamlessly scaling marketing, content production, and consulting, we empower blue-collar businesses to achieve realistic results. Our expertise helps clients secure contracts, attract skilled professionals, expand their market presence, and effectively communicate their unique stories. As a trusted partner to industrial firms across North America, we are committed to your success.

# How We Do It

We believe marketing should be accessible to business of all sizes and budgets. As a subsidiary of **_Stratwit Solutions LTD_**, which has been in business since 2006, we haven't only helped our clients scale their companies but have successfully scaled our own. With access to over 80 employees and three offices throughout Canada, our parent company's long-lasting presence in the market is a testament to our commitment to delivering results.

# Why We Are Different

Built by industry-experts, we firmly believe in the power of specialization. We focus exclusively on serving partners within our niche, making us unique and proud of it. Our deep understanding of the market, industry players, and business challenges sets us apart. With unparalleled knowledge and experience, we stand unmatched among other agencies.

# How We Solve Problems

Our recognized reputation for affordability spans across North America, a testament to our unwavering dedication within the industrial sector. At Construct Connect Marketing, we harness the full potential of cutting-edge AI platforms and industry standards within the marketing landscape. This strategic approach is carefully designed to ensure the maximization of your investment, ultimately delivering tangible and impactful value-engineered results.

# Who We Are

## Bobby – CO-FOUNDER

Bobby, our Co-Founder, is a visionary thought leader and pioneer in the everchanging digital landscape. As a co-owner of Stratwit Solutions since 2006, he's grown it into a global force with over 100 employees worldwide. Bobby's background as a civil engineer adds a unique perspective to his expertise in optimizing operations and driving efficiency. With a proven track record in revolutionizing processes for North America's top data platforms, he continually pushes the boundaries of what's possible. His visionary leadership makes him a true industry tycoon, driving our team's success.

## Kris CO-FOUNDER

Kris, our Co-Founder, boasts a unique background as a Red Seal Carpenter, combining hands-on expertise with a strategic mindset. Their track record includes shaping branding strategies and driving international business expansion for North America's leading manufacturing companies. Notably, Kris has also made significant contributions to major players in real estate and finance, showcasing their versatility across diverse industries.
With a visionary marketing approach rooted in this multi-sector experience, Kris stands as a true industry leader among our co-founders, bringing a formidable edge to our team

# Case Studies:

## 01

ConnectFM.ca: A Masterpiece in Digital Engineering
- We transformed ConnectFM.ca into a digital masterpiece using the Craft Framework and Lambda, integrating multiple 3rd-party APIs for real-time news updates.
- This multilingual platform is hosted on six AWS instances to ensure top-notch performance and reliability.

## 02

GRMarine.ca: A Robust Digital Voyage
- At GRMarine.ca, we dove into the depths of development, crafting a secure and robust platform using the PHP Laravel Framework.
- With a focus on safety and strength, we propelled GRMarine.ca to the forefront of digital success.

## 03

OrtechIndustries.ca: Forging Efficiency with CodeIgniter
- OrtechIndustries.ca shines as a testament to efficiency and flexibility. We harnessed the power of the PHP CodeIgniter framework to create a tailored digital solution.
- This project exemplifies the fusion of technology and innovation, enhancing the capabilities of Ortech Industries.
